Re: Universal 911 Dialing-First Transition Report

Dear Ms. Kimmel and Mr. Siehl:

In accordance with the *Public Notice* released on March 1, 2002,¹ on behalf of Triton PCS Operating L.L.C. ("Triton PCS"), we respectfully submit Triton PCS' initial transition report describing the transition to 911 service in certain counties designated by the *Public Notice* that are areas where Triton currently operates. As Triton PCS does not currently offer service in Alleghany, VA; Dickenson, VA; Lee, VA; or Saluda, SC, the attached report only covers Appomattox County, VA; Taliaferro County, GA; and Warren County, GA.

Please contact the undersigned if any questions arise regarding this filing.

Respectfully submitted,

Laura H. Phillips
Counsel for Triton PCS Operating
Company L.L.C.

Enclosure

¹ Carrier Transition Reports for the Implementation of the 911 Abbreviated Dialing Code Pursuant to the Wireless Communications and Public Safety Act of 1999 (911 Act), *Public Notice*, CC Docket No. 92-105, WT Docket No. 98-110, DA 02-507 (rel. March 1, 2002).

Note: This is a sample
template, it is not
an OMB approved
form.

Universal 911 Dialing- First Transition Report

Please read instructions before completing

Section 1

Section 2

Local Area 911 Implementation

List all individual local areas covered by this report (e.g., Lee County, Virginia):

Appomattox County, VA

Taliaferro County, GA

Warren County, GA

Triton PCS does not currently offer service in Alleghany, VA; Dickenson, VA; Lee, VA; or
Saluda, SC.

For each area listed above, identify the emergency response point to which 911 calls will be routed

911 calls in Appomattox County, VA are currently being routed to the State Police (#77) with 434-352-0583.

911 calls in Taliaferro County, GA are currently being routed to the Taliaferro County PSAP with 706-456-2345.

911 calls in Warren County, GA are currently being routed to the Warren County PSAP with 706-465-3003.

(b) For each area listed above, provide details of the carrier's progress in completing translation and other work necessary to route 911 calls to the identified emergency response point.

Appomattox County, VA has basic 911 (*i.e.*, all callers are able to reach emergency personnel). When Appomattox County designates a local PSAP, Triton will begin the necessary upgrades to route all calls to the designated PSAP.

Taliaferro County, GA has basic 911. Triton has completed all necessary translation work and currently routes 911 calls to the designated PSAP.

Warren County, GA has basic 911 service. Triton has completed all necessary translation work and currently routes all calls to the designated PSAP.

(c) For each area listed above, provide the date or projected date that transition to the 911 abbreviated dialing code will be completed.

As indicated above, Triton PCS currently delivers 911 calls to either the State Police or the designated PSAP for Appomattox County, VA, Taliaferro County and Warren County, GA.

Section 3

911 Implementation Problems

(a) Describe any problems the reporting carrier has encountered in identifying 911 number call routing points. Describe any other operational problems carrier has experienced during the initial transition stages.

Triton PCS has had no problems with routing.

(b) Where the reporting carrier has experienced 911 implementation problems, describe any efforts the carrier has made to coordinate with public safety agencies and state and local authorities.

N/A

Section 4

Certification - To be signed by an authorized representative of the reporting entity

I certify that I am an authorized representative of the above-named reporting entity, that I have examined the foregoing report and to the best of my knowledge, information and belief, all statements of fact contained in this form are true and accurate statements of the affairs of the above-named company.

I certify that I am an authorized representative of the above-named reporting entity, that I have examined the foregoing report and to the best of my knowledge, information and belief, all statements of fact contained in this form are true and that the reporting entity has completed the steps necessary to properly route 911 emergency calls in the localities covered by the report as of _____.
